Dear Program Completer,

Recently you have participated in an online survey about the quality of preparation you received to be licensed as an educator in California schools. Commission records indicate that you have not completed the survey. We ask that you set aside some time to complete the survey. Your participation is very important in developing a rich understanding of teacher preparation.

The survey was available to you when you logged in the Educator Page to start your credential payment process. The survey from the Educator Page is no longer available.

To access and complete your survey, please click the link provided below:

If the survey asks for a code, use: <<SURVEY ID>>

This is your opportunity to tell the Commission about the quality of experiences you had in your program and about the effectiveness of the preparation you received. Please help ensure that future new teachers are ready to help all children learn the rigorous content expected today. Your input is critical to this process.

If you have any questions or comments about the survey, please feel free to contact the Commission at Accreditation@ctc.ca.gov.

Thank you.
